## **NESC Director Ralph R. Roe to speak at Marshall Tuesday**

Ralph R. Roe, director of the NASA Engineering and Safety Center, will speak at 1:45 p.m. Tuesday in Morris Auditorium. All Marshall team members are welcome to attend. The NASA Engineering and Safety Center, based at Langley Research Center in Hampton, Va., was created to provide technical expertise and resources for independent review of major Agency programs.

**For voting leave  
guidance, see  
'Inside Marshall'**

Marshall'**

## **Engineering and Safety Center looking to fill job openings**

Job opportunities for the NASA Engineering and Safety Center, located at Langley Research Center in Hampton, Va., are available. Jobs open to NASA employees are posted at <http://www.nasajobs.nasa.gov>. External jobs at the Center open to non-NASA personnel are posted at <http://usajobs.opm.gov>. The Center is looking for engineers, scientists and technicians to perform independent technical assessments of NASA's programs. Selection will begin in approximately two weeks.
